8 games we wrote

Made by Dragon 1982

We wrote them in 2026, for this machine.

#	Name	Language	What it is
1	**Guess the number**	BASIC	The computer thinks of a number from 1 to 100, and you guess.
2	**Moon lander**	BASIC	Land on the Moon: each turn you decide how much fuel to burn, and try to touch down at a speed under 5.
3	**Maths quiz**	BASIC	Ten addition and subtraction questions, and your score at the end.
4	**Rock, paper, scissors**	BASIC	Rock, paper, scissors against the computer.
5	**Dragon cave**	BASIC	A little adventure: a dark cave with smoke coming out, and you choose what to do.
6	**Screen drawing**	BASIC	A colour drawing on the graphics screen: a sun, the sky and more, with PMODE, CIRCLE and LINE.
7	**Horse race**	BASIC	Bet on one of three horses, and watch the race on the screen.
8	**Dragon Eggs**	Machine code	The first game we wrote in machine code for this machine, in 2026.
